President's Message

Happy Spring, Delta Sisters!!

It's good to see the flowering trees and new green grass pushing itself out of the ground. Life continues, and time marches forward. Likewise, the school year is winding down, and how fast time seems to march!

Our last scheduled business meeting is April 14th. I hope that if you have not been able to attend, you will make the effort to be with us as we vote on new

members, recognize the amazing work of our own sisters, and remember a friend and amazing educator we recently lost.

It's never too late to become a part of the sisterhood that is Delta Kappa Gamma. We hope that you are well and that we will see you soon. Happy Easter and Happy Spring!

Karen
