President's Message

September 2015

Although I love the smell of the salt air and the warmth of the ocean water, the feel of the wet blanket of humidity over eastern North Carolina is not one I enjoy. I love the crisp, cool air that is autumn. I love the possibilities that this season brings, not only to my senses, but to the idea that we are starting anew in our endeavors as women educators. Fall brings opportunities to reconnect with our friends at social events, school events, and community events. We have a chance to make a difference through our special group that is Delta Kappa Gamma.

On October 6, we will meet at South Central High School to start our work in earnest. We will have dinner prepared and served by students who have been Safe-Serve certified and are learning all the ins and outs of what it takes to work in a restaurant and the food industry. Their teacher, Joanne Duncan, has done a remarkable job with this program, and we are fortunate to be able to meet at this very special place.

We will also have a very special program presented by our very own sister, Jennifer Mabe, daughter of Susan Beck-Frazier. Jennifer is teaching at the Pitt County Early College this year. She will talk to us about their educational program and school. We are looking forward to hearing about this new venture.

We will also look at ways to expand our fundraising possibilities, and we will meet by committees, at the end of our shortened business meeting, as a way to plan for future programs. We hope that you will find a place within our community to serve and bring fresh perspectives to our group.

I hope that you will include being a part of the Delta Chapter's fall activities. It is a chance for us all to reconnect and make a difference right here in our own community and in the world. See you soon!

Karen

Thoughts and Prayers

Dottie Oakley recently shared that one our former active sisters, **Betsy West**, has been moved to an Advanced Care unit at Cypress Glen and needs our thoughts and prayers. Dottie said, "She was one of the first ladies I met as a new inductee in 1999. She welcomed me at every meeting and always promoted DKG for its commitment to the professional and personal growth of women educators."

Water bottle fund-raising starts in October. Start saving your pennies!

If you are interested in participating in any non-meeting events, like playing Bunco, going to the Painted Peacock, mentoring new teachers, etc., bring your ideas to share!

Those sisters interested in serving on the Executive Board as a committee chairperson, please let an office or Beth Ward know, as we will be voting on new officers in March.
