## PRESIDENT'S MESSAGE

### Greetings Delta Sisters!!

Back to School has begun! If you feel like you've been hit by a truck after the first week, rest assured it was "only" a hurricane! Luckily, we seem to have escaped the worst of it here, and will be ready to get back to the business of acclimating our students to a new school year and all that it entails. The word of the month in our schools seems to be "Expectations."

#### Executive Board Meetings:

6 p.m.

China 10

9/27/2016

1/31/2017

3/28/2017

6/20/2017

I encourage you to think about your expectations for our chapter. How do you envision yourself participating in our organization to enrich your role as an educator and to support other educators in our region? Our beginning teachers were most appreciative of the supplies they received at the BT Tea. Please continue to make contact with them as you are able and let them know that their hard work is appreciated and will make an impact on the students they teach that will last a lifetime.

I look forward to seeing all of you as we initiate our new sisters next week!

**Thank you** to Ellen Hilgoe and Dr. Patti Saunders-Smith who have confirmed our venues for this year's meetings.

**Dottie** had an excellent turnout to prep shoe patterns this summer. Remember to save your denim, and cut the seams out before bringing it to October meeting so that we can get LOTS of shoes ready for construction and distribution.

**Congratulations** to Raychl Smith who received an NCMEA grant to fund her summer workshop for Music educators!

**Welcome** Laura Piner and Candy Nichols to Delta Chapter! We look forward to getting to know you after our initiation ceremony on September 13th at the Greenville Museum of Art.

### In Memoriam

It is with heavy heart that we say goodbye to Pat Peoples upon her passing on August 23, 2016. She was a DKG sister of the Delta Xi chapter. Her memorial service was held on Sept. 1 at the Greenville Church of God.

In lieu of flowers, the family has asked that donations be made in Pat's honor to the ECU College of Education's Educators Hall of Fame Scholarship.

Please contact Terah Archie at [Archiet15@ecu.edu](mailto:Archiet15@ecu.edu) if you wish to make a donation.
